The Quantum Student, Educator Purchase Program (QSEPP) is available to all full-time photography students & educators of Universities, Colleges & Community Colleges. The prices offered to you are below dealer cost. We realize that it is a difficult transition from student to full-time professional photographer and we would like to do our part in easing your photographic equipment costs.

To purchase any items listed the student or educator must fill out the information requested on this form. Prices listed are only for students & educators.

No other promotions or discounts apply. This offer may not be combined with any other offer.

Payment may be made by any method accepted by the authorized Quantum dealer.

Quantum Instruments Inc. reserves the right to approve or decline Application to purchase.

Offer valid within USA only.

Prices are subject to change without notice.

To locate your nearest Quantum dealer, visit www.qtm.com or call us.

Select the products you wish to purchase. Complete the application information. Have your photo instructor complete and sign the Educator portion of this form. Application, order form and payment should be given to your Quantum dealer for processing.
